GENERAL INFORMATION FOR SCULPTURE TRAINING

Lumin Courses and Workshops equip students with the necessary skills to build their businesses and expand their current expertise.

The duration of the course is 1 full day.

Once the course is completed a Certificate will be issued.

The dress code for all courses is comfortable, yet professional and practical

Refreshments will be provided, Lunch is NOT included and needs to be brought with by the student. You will be provided with a lunch break.

This Sculpture course is structured for experienced nail technicians, who desire to master the art of Sculpturing (Nail Extension).

This is a full-day Sculpture course, covering all possible knowledge about the proper way of sculpting, positioning the forms, cut-outs, shaping etc.

Sculpting is the only way that works on all nail biters, regardless of how short or damaged their natural nails are. Hybrid gels allow to restoration of damaged hand and toe nails.

Training includes

- Basic nail care
- Product knowledge
- Nail preparation
- Fills
- Filling & Shaping

-
- You will need to bring a model for the course.
 - Models should have normal natural nails (not nail biters), should be available to sit for you for about 3,5 hours and not need to rush anywhere, as this creates pressure for students, which we do not accept.
 - Please note that should the models be Nail Technicians or Beauty Specialists, a fee of R500 is payable per model.

Should you be coming from far and not be able to arrange models, please inform us timeously and we will try to assist with our regular models.

The course ends as soon as all students are done with their sets.

Lumin's Address:
